RE-ELECTION AND APPOINTMENT OF DIRECTORS
AND
NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with (i) information regarding certain resolutions to be proposed at the AGM to enable you to make an informed decision on whether to vote for or against those resolutions; and (ii) the notice of the AGM.

LETTER FROM THE BOARD

BUY-BACK MANDATE

At the annual general meeting of the Company held on 11 June 2024, a general mandate was granted to the Directors to exercise the powers of the Company to buy-back up to 10% of the total number of Shares in issue. Such mandate will lapse at the conclusion of the AGM. An ordinary resolution will be proposed at the AGM to grant the Buy-back Mandate to the Directors. As at the Latest Practicable Date, the Company had 360,257,512 issued Shares. Subject to the passing of an ordinary resolution approving the Buy-back Mandate and on the basis that none of the outstanding share options is exercised, no further Shares will be issued or allotted and no Shares will be bought-back and cancelled by the Company prior to the AGM, exercise of the Buy-back Mandate in full would result in up to a maximum of 36,025,751 Shares, representing 10% of the total issued Shares being bought-back by the Company. An explanatory statement as required under the Listing Rules to provide the requisite information of the Buy-back Mandate is set out in Appendix I to this Circular.

ISSUE MANDATE

Given that the general mandate granted to Directors to issue Shares pursuant to the resolution passed at the annual general meeting held on 11 June 2024 will lapse at the conclusion of the AGM, an ordinary resolution will be proposed at the AGM that the Directors be granted the Issue Mandate in order to provide flexibility and discretion to the Directors to issue new Shares. As at the Latest Practicable Date, the Company had 360,257,512 issued Shares. Subject to the passing of an ordinary resolution approving the Issue Mandate and on the basis that no further Shares will be issued, allotted or no Shares will be bought-back and cancelled by the Company prior to the AGM, the exercise of the Issue Mandate in full would result in up to a maximum of 72,051,502 Shares, representing 20% of the total number of Shares in issue, being issued by the Company during the period ending on the earliest of (i) the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by law or the Articles; or (iii) the date upon which the Issue Mandate is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company. In addition, an ordinary resolution will also be proposed to extend the Issue Mandate by adding to it the number of such Shares as bought-back under the Buy-back Mandate.

EXTENSION OF GENERAL MANDATE TO ISSUE SHARES

Subject to the passing of the ordinary resolutions to grant the Issue Mandate and the Buy-back Mandate, an ordinary resolution will be proposed at the AGM to extend the Issue Mandate by including the number of Shares bought-back under the Buy-back Mandate.

LETTER FROM THE BOARD

RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief, there are no other facts the omission of which would make any statement contained herein misleading.

Yours faithfully,
By Order of the Board
Ernest Borel Holdings Limited
Teguh Halim
Chairman

This appendix serves as an explanatory statement as required under the Listing Rules to provide the requisite information to you for consideration of the Buy-back Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 360,257,512 Shares.

Subject to the passing of the proposed ordinary resolution approving the Buy-back Mandate and on the basis that no further Shares are issued and allotted and no Shares are bought-back and cancelled by the Company prior to the AGM, the exercise of the Buy-back Mandate in full would result in up to a maximum of 36,025,751 Shares, representing 10% of the total number of Shares in issue being bought-back by the Company during the period ending on the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by any applicable law or the Articles; or (iii) the date on which the Buy-back Mandate is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company.

REASONS FOR BUY-BACK

Although the Directors have no present intention of exercising the Buy-back Mandate, they believe that the flexibility afforded by the Buy-back Mandate would be beneficial to the Company and the Shareholders as a whole. At any time in the future when the Shares are trading at a discount to their underlying value, the ability of the Company to buy-back the Shares will be beneficial to the Shareholders who retain their investment in the Company as their percentage interest in the assets of the Company would increase in proportion to the number of Shares bought-back by the Company from time to time and thereby resulting in an increase in the net assets value and/or earnings per share of the Company. Such buy-backs will only be made when the Directors believe that such exercises will benefit the Company and the Shareholders as a whole.

FUNDING OF BUY-BACK

The Directors propose that the buy-back of Shares under the Buy-back Mandate would be financed from the Company's internal resources.

For the purpose of the buy-back of Shares, the Company may only apply funds legally available for such purposes in accordance with its memorandum of association, the Articles and the applicable laws of the Cayman Islands. Under the laws of the Cayman Islands, buy-backs by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose. Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of the Company's profits or share premium account. Subject to the provisions of the Companies Act, a buy back of Shares may also be paid out of the Company's capital.

The exercise of the Buy-back Mandate in full might have a material adverse impact on the working capital or the gearing level of the Company.

The Directors do not propose to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital or the gearing level of the Company, which in the opinion of the Directors are from time to time appropriate for the Company. The number of the Shares to be bought-back on any occasion and the price and other terms upon which the same are bought-back will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the main board of the Stock Exchange during each of the twelve months preceding the Latest Practicable Date were as follows:

DIRECTORS AND THEIR CLOSE ASSOCIATES

The Directors have undertaken to the Stock Exchange that so far as the same may be applicable, they will exercise the powers of the Company to make buy-backs pursuant to the Buy-back Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the Articles.

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates has any present intention, in the event that the Buy-back Mandate is approved by the Shareholders, to sell any Shares to the Company or its subsidiaries if the Buy-back Mandate is approved at the AGM.

No core connected person has notified the Company that he/she/it has a present intention to sell any Shares to the Company nor has undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Buy-back Mandate is approved by the Shareholders.

TAKEOVERS CODE

If, as a result of the share buy-back, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the interest of the Shareholder(s) but subject to the latitude provided by the 2% creeper provision under Rule 26 of the Takeovers Code, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and the provisions thereof may otherwise apply as a results of any such increase.

As at the Latest Practicable Date, as far as the Directors are aware substantial shareholders of the Company having an interest of 5% or more in the issued share capital of the Company are as follows:
